## **THANK YOU FOR BRINGING THE HOLIDAY SPIRIT TO VERMONT'S CHILDREN!**

Dear Friends of the Holiday Spirit Program,

I'd like you all to know what a profound difference you made this holiday season. We were amazed at both the generosity of the community and the gratitude of the families we helped. This year the Holiday Spirit Program provided gifts to 199 children in 104 families. Many of these families have to spend the holidays apart, and some struggle to provide the basic necessities of the season. But thanks to your kindness and caring, we were able to help these families and bring the holiday spirit to them. That is no small task! And without our donors and volunteers, it would not have happened. From all of us at Vermont's Children's Aid Society, thank you and Happy New Year!
